See over page for scoring system

## Scoring System

The community ethos of the Mid-Week Metro Series makes participation a key component. Hence all scores count and the event organiser is given a first place score. Furthermore all courses are scored in the same way with points allocated on the basis of places within each class. The points for each place are:

**Orange 1 or 2:** 30 25 22 20 18 16 14 13 12 11...

with all successful finishers getting a minimum of 1 point. Since there are only occasional junior entries, the scores are only collated for open and masters classes and only orange courses count.

When there are special events (maps without handrails, points events, timed events, scatter courses etc), the classes and courses have been merged and scored in a way that seems fair to the scorer.
