Scoring System

The best 12 scores received will be used to generate the final rankings. **A minimum of six events must be attended over the course of the competition to be eligible for a place in the final standings.**

Points are allocated on the basis of places within each class and course. For each course the points are:

Orange 1: 30 25 22 20 18 16 14 13 12 11...

Orange 2: 20 17 15 13 12 11 10 9...

Green: 13 11 9 8 7 6...

Blue: 8 6 5 4 3...

One less point is given for each subsequent place with everyone who finishes receiving at least one point. Those who "dnf" receive zero points but the event counts towards the minimum eligibility requirement of six events attended.

When there are special events (maps without handrails, or combined pre-entry events where championship classes start without getting to view the map first), the classes and courses will simply be merged so as to keep the scoring simple. Please remember that we are not playing for sheep stations here!
