Scoring System

The best 11 scores received from the first 14 rounds (there will be 15 rounds in total) will be used to generate the final rankings, similar to the way the junior results are scored.

Points are allocated on the basis of places within each class and course. For each course the points are:

Orange 1: 30 25 22 20 18 16 14 13 12 11...

Orange 2: 20 17 15 13 12 11 10 9...

Green: 13 11 9 8 7 6...

Blue: 8 6 5 4 3...

One less point is given for each subsequent place with everyone who finishes receiving at least one point. Those who "dnf" receive zero points but the event counts towards the minimum eligibility requirement of six events attended.

When there are special events (maps without handrails, or combined pre-entry events where championship classes start without getting to view the map first), the classes and courses will simply be merged so as to keep the scoring simple. Please remember that we are not playing for sheep stations here!

If you have updates to the ages or clubs of competitors, or find any errors in the scoring, please report these corrections to Greg Lane at:
